## Special Services for the Hearing & Speech Impaired

### WHAT IS KANSAS RELAY?

Kansas Relay is a public service that ensures all citizens have access to prompt, professional, and accurate communication through the telephone. It serves individuals who are deaf, deaf-blind, hard of hearing, or have difficulty speaking. Using services such as TTY, Voice Carry Over (VCO), Hearing Carry Over (HCO), Speech-to-Speech (STS), Spanish Relay, and Captioned Telephone, users can easily connect with family, friends, or businesses.

### HOW DOES KANSAS RELAY WORK?

To use Kansas Relay, dial 711 or the appropriate toll-free number. A qualified Communication Assistant (CA) will ask for the area code and number of the person you wish to call and will facilitate the relay. The CA will typically voice the message from the text telephone (TTY) user and type your spoken message to the TTY user.

### CAPTIONED TELEPHONE:

Captioned Telephone is designed for individuals with hearing loss who can still speak for themselves. This service allows users to listen to the conversation while reading word-for-word captions of what is said to them.

### SPEECH-TO-SPEECH (STS):

STS is a valuable service for people who have difficulty speaking or being understood on the phone. A specially-trained CA, familiar with diverse speech patterns, will assist in facilitating the conversation.

### SPANISH RELAY:

Kansas Relay provides access to all relay call types for Spanish-speaking users. If both you and the person you are calling are in Kansas, calls can be translated between Spanish and English.

### ACCESS TO SERVICES

Both 711 and the toll-free numbers provide access to the same relay services at no cost. If you have trouble reaching Kansas Relay via 711, contact Kansas Relay Customer Care. All Telecommunication Relay Services (TRS) and English Captioned Telephone services are available 24/7. Spanish Captioned Telephone is available daily from 7:00 a.m. to 11:00 p.m. CST. By law, all conversations are handled with strict confidentiality.

Oversight for Kansas Relay is provided by Assistive Technology for Kansas. For questions or concerns, contact:

#### • Equipment Distribution Program

The Kansas Telecommunications Access Program offers amplified phones, TTYs, Voice Carry Over (VCO) phones, Captioned Telephones, and other equipment to eligible individuals in Kansas who are deaf, deaf-blind, or who have difficulty with speech, mobility, or cognitive abilities. For more information, visit [www.atk.ku.edu/ks-tap](http://www.atk.ku.edu/ks-tap) or call 1-800-526-3648.

#### • Emergency Calls

Please note, 711 is only for accessing Kansas Relay services. In an EMERGENCY, continue to use 911. The Americans with Disabilities Act (ADA) mandates that 911 centers are equipped to handle emergency TTY calls.

Although Kansas Relay will assist in emergencies, relay centers are not 911 centers and do not assume responsibility for emergency calls.

## TELEMARKETER LAW

### TELEMARKETERS MUST OBEY STATE AND FEDERAL LAWS WHEN CALLING KANSAS RESIDENTS.

Violations can be enforced by the state Attorney General or through a private cause of action.

#### Telemarketers who make unsolicited calls to residential phone numbers MUST:

- Identify themselves, the business they represent, and the purpose of the call immediately upon making contact.
- Promptly end the call if the person indicates a desire to not listen or wishes to stop at any time during the call (i.e., "just say no").
- Have a live or recorded voice respond within 5 seconds of the call being answered.
- Make their phone number visible to caller ID services if technically possible.
- Maintain internal "do not call" lists and, if requested, place the person on this list and honor the request.
- Disclose whether the seller has a policy regarding refunds, cancellations, exchanges, or repurchases.

#### TELEMARKETERS MUST NOT:

- Use automatic telephone dialing systems or pre-recorded voice messages to call pagers, wireless phones, or any service that charges the called party.

- Send unsolicited advertisements to fax machines.
- Use threats, intimidation, profane, or obscene language.
- Cause any phone to ring repeatedly or continuously to harass the person being called.
- Call before 8:00 a.m. or after 9:00 p.m. local time.

**Exceptions:**

- Calls placed for non-commercial purposes.
- Calls made for commercial purposes that do not include unsolicited advertisements.
- Calls to individuals with whom the caller has an established business relationship.
- Calls from tax-exempt nonprofit organizations.

**For more information or to file a complaint:**

If you receive a call that violates these rules, contact the Kansas Attorney General's Office, Consumer Protection Hotline at 1-800-432-2310.

For further research on the laws mentioned above, refer to the following:

- **K.S.A. 50-670(b):** Part of the Kansas Consumer Protection Act.
- **47 USC Section 227 and 47 CFR Part 64.1200:** Federal Telephone Consumer Protection Act and regulations.
- **15 USC 6101-6108 and 16 CFR Part 310:** Federal Telemarketing and Consumer Fraud and Abuse Prevention Act and regulations.

**Reducing Unwanted Telemarketing Calls**

**Register for the Direct Marketing Association's Telephone Preference Service (DMA):**

You may register your residential phone number(s) with the DMA's Telephone Preference Service to be placed on their "Do Not Call" list. This list helps DMA-member telemarketers avoid calling numbers that do not want to receive telemarketing calls. Registration lasts for up to five years. If you move or change your phone number within that period, you'll need to reregister.

**How to Register Your Phone Number(s):**

- You may register for free by mailing your full name, full address, signature, and up to two telephone numbers to the following address:

DMA Telephone Preference Service  
P.O. Box 9014  
Farmingdale, NY 11735-9014

- Alternatively, you may register online for a fee of \$5 at:
- [www.the-dma.org/cgi/offtelephonedave.com](http://www.the-dma.org/cgi/offtelephonedave.com)

Registering with the Telephone Preference Service will not eliminate all telemarketing calls, such as those from nonprofit/charitable organizations, political groups, non-DMA telemarketers, or businesses with whom you have an established relationship. Since the list is updated quarterly, it may take several months for you to notice a reduction in unwanted calls.

**Important Note:**

There are no penalties for telemarketers who call numbers on the DMA's "Do Not Call" list, and registering for this list does not grant you additional rights beyond those provided by law.

For information about your legal rights regarding telemarketing, please refer to the section titled "Telemarketing – Consumers' Rights and Remedies Under State and Federal Law."
